DRAKE'S HORSES AT WORK.

Nashville, Tenn., Feb. 20.—Working horses over the snow was the sight seen at Cumberland Park this morning. Wishard took all the Drake horses into the inner field and worked them over the snow on the turf. Tommy Meade had the leg over Wyeth, C. Golden was up on Savable, jockey Sharkey had the mount on Orly, the American Derby candidate, Wake was on Von Rouse, Meney was astride High Chancellor, Morgan had the mount on South Trimble; Houbre, the high-priced jockey, was on Alabarch and H. Wilson had the leg up on Runnels. The horses seemed to like the going, and they were playing the entire time out.

Wishard had out every one of his horses over the snow-covered course. T. P. Hayes, William McDaniels, J. M. Johnson, H. I. Marshall, Albert Franklin, John Walters, Clay Bros., Turney Bros., Sam Parmer and others, abandoned the covered track and took their horses in the infield and gave them their work over the snow.

H. I. Marshall and J. M. Johnson both worked their timber toppers over the jumps which were covered with snow.

A big delegation of Milwaukee business men was entertained at Cumberland Park Club house by the retail merchants of Nashville and the Milwaukee delegation was delighted with the work of the horses. They watched the performances of the horses from the club house. They were especially impressed with the great string of John A. Drake, and with the performances of the jumpers.

Advices from the breeding farm of W. W. Darden is to the effect that Addie C. II., dam of the American Derby winner Sidney Lucas, is safe in foal to Algol, son of Top Gallant.

Declarations will be due in the Montgomery Handicap tomorrow. Olefant, Postmaster Wright and Glen Water, the three candidates at Nashville eligible for the Montgomery Handicap, will remain in. No declaration will come from this city, and Nashville can be counted on for three starters, and good ones, too.

Trainer Enoch Wishard and jockey Charley Houbre enjoy themselves when not at work hunting jack snipe in the infield at Cumberland Park. They have been quite successful lately.

William Jackson will breed about fifty mares to The Commoner this season. About forty of the number are the Belle Meade matrons.

MARKLEIN'S TWO-YEAR-OLDS.

Time, 24^h, 49^h, 1:15, 1:28. Winner—B. f, by Kingston—Belle of Maywood (trained by S. W. Streett). Went to post at 2:30. At post 4 minutes. Start good. Won easily; second the same. By Ways ran as if she outclassed the field and went to the front early, opened a winning gap in the run around the far turn and had everything her own way in the stretch run. War Cry was under a drive all of the last quarter and hung on gamely when the pinch came. Sidney Sabath began slowly, but finished going fast. Embarrassment saved ground at the turn into the homestretch, but tired when called on. Bondage closed a big gap. Sleepy Head showed early speed, but quit after going a half. Prince Eugene tired and quit in the last quarter.

Won driving; second the same. Arachne ran under restraint for the first five furlongs, but Gannon made his run a bit too soon and Arachne was tiring at the end and just managed to last long enough to stall off a challenge from Frank M. and O'Hagen. The finish was very close. Frank M. came to the outside at the turn into the homestretch and was going the fastest of the first three at the end. O'Hagen ran well, but tired when called on near the finish. Rough Rider trailed along in the rear all the way. He will do better some other time. So will Jena. Flaneur was used up setting the early pace and tired when caught.

The Stewardess displayed the most speed all the way, went to the front while rounding the first turn and opened up a winning gap in the run down the backstretch, but was tiring at the end and just managed to last long enough to stall off a challenge from Ermack. The latter ran a good race, but Booker was of little help to her when it came to a drive and Ermack finished on her own courage alone. Leflare closed a big gap after getting caught in a jam at the first turn and was knocked out of it. Inspector Shea tired after racing up to the leaders. Lady Chorister was given an easy ride. AMERICAN SPORTING MANUAL.

The American Sporting Manual of 1903 contains all the racing at large, revised and complete up to the end of 1902; five handicapping systems with directions for their practical application, a table showing how to compute bookmaking percentages, track records of all the recognized tracks of the country, the western and eastern scale of weights, tables showing the comparative speed of tracks, the racing statistics of 1902 giving amounts won by owners and horses and jockey record, a complete list of pugilistic contests of 1902 of any consequence, trotting and pacing records at all distances and a list of the new 2:15 trotters of 1902. Also a complete record of performances at all styles of billiards.

GOSSIP OF THE TURF.

The reports from "down the line" are that Lucien Appleby has entered his four-year-old form in the very finest shape, and that if no mishap befalls him will prove a formidable factor in all the events in which he is entered. The same is said of Jimenez and Rose Tree. Jimenez does not fancy heavy going, but he is a race horse of speed and quality. He was not raced much last season because of the condition of the tracks during the greater part of the time. The son of The Commoner won three races, and his running qualities were sold toward the end of the season by F. J. Kelley to P. Dunne. He was beaten by the fast mare Rose Tree in a match race at Harlem, a race that gave dissatisfaction to his admirers—as is usual in match races. The mare is very fast, and it is expected from the way she has wintered that she will be as good as she ever has been when she is called upon this season, and she is well engaged, as is the policy of Mr. Corrigan. The same owner has another of the handicap brigade that is a race horse of the highest class, the English thoroughbred Scintillant II. He won the Twentieth Century Handicap at Harlem Park, making a new world's record for the distance. He is a race horse of rare speed, endurance and gameness. But he has one bad failing—he is a vicious and sulking brute. Scintillant II. is to be bred for a time, and is then to be taken up for the season's campaign. He may be depended upon to cut a figure in every race—unless he sulks.

Sydney Paget has declared Waterboy, the Watercress colt Handicapper Vosburgh rates within a few pounds of L. V. Bell's Francesco, out of the Brooklyn Handicap. The declaration is made because Jack Joyner does not believe that it would be good policy to attempt to get Waterboy ready too early. Nothing ails the colt. He is doing well at Sheephead Bay and all the trainers look upon him as one of the most promising horses in Joyner's string. Waterboy is the horse that ran into the fence on the Withers turn at Morris Park last spring, while undergoing his Belmont Stakes trial, and splintered one of the bones in his legs.

Winner—Ch. h. by Register—Emma Gregg (trained by C. A. Johnson).

Went to post at 4:35. At post 9 minutes. Start fair. Won easily; second handily. Bummer raced Little Jack Horner to defeat in the first half, outgamed him when it came to a drive and quickly drew clear in the stretch. Little Jack Horner showed the most early speed but tired when the pinch came. Silver Fringe was crowded back in the last hundred yards, but hung on better than usual. It was a bad ride on Ed L. Hoar tried to go through next to the inside rail at the far turn when he had no chance and had to pull Ed L. up to keep from going down. Sadducee was always outrun. Censor ran a good race from where he got off.

Winner—B. h. by Inspector B.—Rosa Buckden (trained by P. J. Nolan).

Went to post at 5:10. At post 1 minute. Start good. Won easily; second the same. Monos was off well in motion but Robertson took him back and waited until in the final furlong before making his run, caught The Caxton tiring in the last sixteenth and was going away at the end. The Caxton ran a good race, but tired when it came to a drive. Annie Lauretta did her best. Lofter and Mosketo were used up chasing the leaders and tired. Kilogram ran poorly.

Scratched—37543 Lord Neville, 110; 37612 Maltster, 107.

Overweights—Charles D., 1 pound.

Winner—Gr. c. by Captive—Leora (trained by W. L. Stanfield). Went to post at 2:07. At post 1 minute. Start good. Won easily; second easily. E. M. Brattain spreadeagled the field and was only cantering at the end. Golden Light raced well under a lethargic ride, waited with very long and gained ten lengths on the leader when called on in the last quarter. Gibraltar, interfered with at the start, came along fast in the stretch and caught Mike Murphy tiring. Rose of Hilo was badly ridden. Mike Murphy went a fast five furlongs and quit.

Scratched—37602 Straight Shot, 107; 37036 The Scot, 101; 37618 Light Ball, 101; 37613 Katherine Ennis, 99; 37496 Legal Maxm, 97; 37591 Estado, 97; 37594 Cathello, 95.

Winner—Ch. c. by Prince Royal—Intrusion (trained by T. G. Ferguson).

Went to post at 2:35. At post 4 minutes. Start bad. Won driving; second easily. The Mighty beat the barrier and made the most of his advantage, and Shaw outfinished Waldo at the end. Annie Marie was best, but lost so much ground in the early stages that although closing up fast she could never get up. Pachuca closed up a big gap from a bad start and ran a useful race. Cotati was outrun in the early stages and had no chance with a bad ride, but was closing up fast in the last quarter. Tannhauser is evidently only moderate.

Overweights—Tannhauser, 2 pounds.

Winner—B. c. by Santiago—Lady Diamond (trained by W. J. Speirs).

Went to post at 3:04. At post 3 minutes. Start fair. Won driving; second easily. Diamante, away badly, displayed superior speed and stamina in overhauling and passing Puss in Boots at the end after a long and apparently hopeless drive. The latter is very fast and quickly opened up a tremendous lead on the field, but tired at the end and finished swerving and without any assistance from her jockey. Tommy Knight was hopelessly

pocketed in the first half, but finished with a rush. Loyal S. was under pressure throughout. Intrepido went well and was favored by the soft going.

Winner—B. c. by Lissak—Lida H. (trained by M. J. Daly).

Went to post at 3:36. At post 1 minute. Start good. Won easily; second driving. Claude was lucky, ran third under restraint to the far turn, where he forged into the lead after a brush with Epicure, finished out the last quarter fast and won with something in reserve. Gold Van trailed for the first mile and put up a brilliant stretch run at the weights. Epicure, very unruly and under a choking pull, was forced to make the running and that beat him. He stuck to his work very gamely and ran like a really good horse. Durazzo retired after performing his mission as pacemaker, which was of short duration and on sufferance. Dupont trailed far back and made a good effort in the last quarter, but was outclassed. Gold Bell broke down early.

Winner—Br. h. by Sir Modred—Queen Bess, by Marden (trained by H. Stover).

Went to post at 4:05. At post 1 minute. Start good. Won driving; second easily. Kenilworth was allowed to make the running at a comparatively slow pace while the other two were waiting behind him and being skillfully nursed by Shaw, he just lasted long enough to beat the badly mismanaged Cunard. The latter laid away too long and although inadequately ridden he closed up like a flash in the stretch, but failed to get up and was the best. Waiting tactics on Yellow Tail worked disastrously as Bullman choked all the speed out of him in the first quarter.

MONTGOMERY DECLARATIONS.

Memphis, Tenn., Feb. 23.—Declarations received today from the Montgomery Handicap are Caliban, Rolling Boer, Golden Rule, Lucien Appleby. In addition those previously declared are Florestan, Jack Demund, Wall, Pericles, Terra Firma, South Breeze, Sambo, Golden Wishes, Senator Morrison, Skilful, Brief, Five Nations, Travers, Ranchman, Latson, Dr. Hart, Maghoni, Moranda, Olefant, Henry McDaniel, Janeway, Bob McLean, Par Excellence, Clommel, Marshal Neil, Treacy, Caviar, Lacrimae, Dick Furber, making thirty-three withdrawals to date. Information has been received here that Burns & Waterhouse's Corrigan has been declared out of the race. This, however, is not official, as the declaration has not been received by the New Memphis Jockey Club.

WILL ENFORCE RULES.

The stewards of The Jockey Club intend to enforce the rules governing racing this year as never before. Owners, trainers, jockeys and every one connected with the sport will be compelled to conform strictly to the letter of the law. Nothing in the way of evasion will be tolerated.

This will apply particularly to the granting of licenses to jockeys and trainers, the registration of partnerships, the registration of colors, and other regulations provided for in the Rules of Racing.

For some years past it has been the custom for the representative of The Jockey Club to grant temporary permission to jockeys, trainers, owners and others, pending official action of the Board of Stewards on the formal application of the persons to whom such permission was granted. This year all this will be changed. No jockey will be permitted to ride a horse and no trainer will be permitted to handle a horse until his application has been officially passed upon by the Board of Stewards in the regular way.

An official notice to this effect will be promulgated by the Board of Stewards in about two weeks. The decision was reached at a recent meeting, and it was proposed to make the order public in time to give the persons concerned a chance to comply with the rules before the opening of the meeting of the Washington Jockey Club at Bennings on March 23.

Heretofore it has been the custom of horsemen, trainers and jockeys to wait until they reached Bennings before attending to such little formalities as the application for licenses. This year such persons as have not secured their papers will not be allowed to participate in the meeting in any way. No temporary permission of any kind will be granted.—Daily America.

HORSES AT BENNING.

Notwithstanding the snow and ice, trainers were busy at Bennings last week, and most of the horses were worked on the track, which is, of course, frozen hard, but perfectly safe.

Charles Ray has arrived from Toronto with Auto, Hackensack, and Miss Lobster. Auto is John E. Madden's steeplechase candidate. He is one of the most impressive horses one ever saw. He is a chestnut, sixteen hands one inch high, the best of legs and feet, plenty of bone and substance, and yet full of quality. He has a strong way of going, a good, clean head, long, rangy neck, and looks a perfect type of the highest class steeplechaser. Ray gave his trio long, useful work on the road, and they seemed to enjoy the bitter weather. Allie Gates, also from Canada, has got in with the horses of G. W. Cook. This string includes Orontas, Merriment, Benckart, Jerry Mda and Mango. They are all a trifle on the big side, but look hard and hearty. Merriment has improved wonderfully, as she has filled out and furnished down, and Mr. Gates seems to think she will return to her two-year-old form this year. She was never herself last season.

Mr. Durnell, the gentleman rider, has arrived from Virginia with the jumpers of J. D. Hall. Ivan, Charles O'Malley, Duke of Grassland and Corkscrew are his lot, and Mr. Hall should play a prominent part in the hunters' steeplechases. Ivan, Charles O'Malley and Duke of Grassland all showed prominently at the autumn meetings at Bennings and at Baltimore last year, and they now appear as though a few pipe openers would make them fit.

Mara, the steeplechase rider of the J. W. Colt string, has reported to trainer Gwynne Tompkins, and he expresses himself as much pleased with the looks and condition of the horses.

W. B. Jennings has arrived from Maryland with a stable of ten, eight three-year-olds and two two-year-olds. He says his horses are not especially far advanced; still, he expects to have them ready to race by the time the meeting opens.

WORK FOR HERMIS.

L. V. Bell has mapped out an unusually hard campaign for his much-talked-of four-year-old colt Hermis. Mr. Bell, through his trainer, J. H. McCormick, has nominated Hermis for the Carter Handicap at Aqueduct, the Excelsior Handicap at Jamaica, the Metropolitan Handicap at Morris Park, the Brooklyn Handicap at Gravesend, the Suburban Handicap at Sheephead Bay and the Brighton Handicap at Brighton Beach. In each of these events the famous son of Hermance—Katy of the West will be asked to take up top weight. Trainer McCormick says if the colt gets into proper condition in time he will start him at Aqueduct and then barring accidents will fit him to meet all of these engagements. According to McCormick, Hermis has wintered exceptionally well and is ready now to take up a hard course of training as soon as the weather permits.

Big Doings Thursday, Friday and Saturday.

Our clockers, who have timed nearly every horse in training at the New Orleans racetrack, have a line on half a dozen that will start Thursday, Friday and Saturday at odds averaging 10 to 1 that should win easily. If you have played the horses at New Orleans at any time this season you can not afford to miss playing now. This is the harvest season. It is the dry season at New Orleans and, therefore, the surest winning period from the clocker's and handicapper's standpoint.

OUR TERMS AND CONDITIONS.

We do not wire selections to anybody before the races, because we must guard against leaks. To get a good price in the betting against our selections, secrecy is necessary. Send us your commissions and we will play them for you through our commissioners in New Orleans and Hot Springs, who guarantee closing odds according to Daily America. Terms for information: \$10 weekly, in advance. Commissions handled in multiples of \$30 on the following basis: A betting account of \$30 ensures a \$5 play on each of our three horses daily; \$30 ensures a \$10 play on each, and so on. Always send one week's information fee along with betting accounts. We play accounts continuously until ordered to discontinue, deducting \$10 in advance each week for information fee. Checks mailed weekly for profits with statement of accounts. As a guarantee of good faith, our selections are mailed to all subscribers before the races and bear a postmark earlier than the first race we play. We invite you to get aboard the band wagon.

Mr. Bell also has nominated Francesco for all of these handicaps for the reason that the St. Maxim colt finished last season in splendid condition and gives promise of a big improvement in form as soon as McCormick gets him ready to go to the post.

The last engagement of Hermis is the Excelsior Handicap, which is the Metropolitan Jockey Club's opening attraction at Jamaica. The Excelsior, with \$5,000 added, is particularly attractive, coming as it does before the running of the other rich handicaps, and indications point to a high class field from the list of nominations. Alex Shields has the largest number of entries, having named Prince of Melbourne, Advance

Guard, Andy Williams, Hunter Raine and Zoroaster. The fact that August Belmont, W. C. Whitney, James R. Keene, Julius Fleischmann, L. V. Bell, P. J. Dwyer, J. G. Follansbee, W. S. Fanshawe, P. H. McCaren, W. J. Arkell and other prominent owners have entered horses for the Excelsior would seem to indicate that the racing at the Jamaica track will be particularly high class.—New York Sun.
